PROFESSIONAL SUMMARY

Senior Product Manager with **7 years** of product and program leadership experience with **multiple tech awards**, predominantly in EdTech and social impact sectors. **Specializing in AI/ML** with a proven track record of defining and leading **AI strategy** and shipping 0-to-1 products that serve **over a million users**. Secured **3 tech awards in 2025**, including a coveted spot in the **OpenAI and Agency Fund's 'AI for Global Development' Accelerator (1 of 8 organizations selected globally)**. Expert in **leveraging LLMs and user-centric design** to build scalable, high-impact solutions.

PROFESSIONAL (PRODUCT) EXPERIENCE

2021–Present

AI Product Lead

UDHYAM LEARNING FOUNDATION · Bangalore, India 📍

- Secured selection into the **'AI for Global Development' Accelerator by OpenAI and Agency Fund**, positioning the organization as **1 of 8 global leaders** chosen for our vision in **applying advanced AI to education**. Also secured top spots at **Koita Foundation Tech Awards 2025** and **AI Tech4Good awards 2025** by Mint and Salesforce
- Led Udhya's AI strategy and AI- driven tech initiatives, including end-to-end development of **AI Mentor and Teaching Assistant chatbots (30+ chatbots)** using **RAG-based LLMs**, increasing student and teacher engagement by 40%, and developing a scalable mentorship model for millions.
- Launched an **AI-powered submission evaluation and feedback** generation tool that boosted the quality of student work through instant, actionable feedback.
- Owned the product roadmap for **multiple AI-enabled features** (Idea Bank, AI Mentor, automated WhatsApp nudges etc.), managing a cross-functional team of engineers, data analysts, and designers in an agile environment.

2020–2021

Co-Founder

iDIGIT LEARNING · Cuttack, India 📍

Co-founded an EdTech startup, conceptualizing and building the initial MVP to address learning gaps for 14-16 year old students in Tier-2/3 cities.

2019–2020

Product Manager

SHRAMIK BHARTI (AS INDIA FELLOW) · Kanpur, India 📍

Owled the design and launch of a digital platform for a Microfinance initiative, **digitizing operations for 50,000+ Self-Help Group members**. Managed the end-to-end software development lifecycle and trained 200+ staff-members, ensuring successful platform adoption and institutionalizing digital practices.

EDUCATION

2012–2017

Indian Institute of Science Education and Research (IISER) Bhopal
BS-MS · Natural Sci. 🏛️

PROGRAMMING

Vibe Coding

python, Javascript

HTML, CSS

SQL

AWARDS AND RECOGNITION

2024–2026

AI for Global Development Accelerator

AGENCY FUND AND OPENAI · San Francisco, USA 📍

Selected as **one of only 8 organisations globally** to receive funding, technical assistance, and support from **OpenAI** teams to build and scale generative AI solutions.

2025

AI Tech for Good Awards- Best Use of AI for Education and Livelihoods

MINT AND SALESFORCE · India 📍

Secured top spot for our work in building a **national AI Mentorship infrastructure** that embeds entrepreneurial mindsets at scale
